CAREY[®]
Count on CareySM

Count on Carey to do more for you.

Whether it's LeBourget, Luton, Teterboro or San Francisco, count on Carey's Private Aviation Services to exceed your expectations.

For more than 80 years, Carey has built its business by building strong relationships with our customers — especially our most important ones.

In keeping with Carey's heritage of serving discerning, demanding, senior-level executives and VIPs, we provide premium services to all segments of the global private aviation market.

In fact, we are the preferred ground transportation provider for numerous blue-chip corporate fleets, FBOs, fractionals and aircraft management and charter companies.

We are proud to deliver the same level of elite service you provide to *your* clients — making Carey your ideal chauffeured services partner.

*Carey Private Aviation: Exclusive services
for our most valued partners and passengers.*

- **World-Class Fleet of Vehicles.** Carey features the “Carey Car.” These luxurious, extended Lincoln Town Cars are “offices on the go,” with more room, greater comfort and special productivity features — including desktops, power outlets and more.
- **Dedicated Private Aviation Services Desk.** 24/7 access to a dedicated toll-free number, fax and email for reservations, account status and itinerary updates — along with customized billing for greater ease, accuracy, timeliness and efficiency.
- **VIP Service Package.** Our fully certified chauffeurs offer traveling executives “mobile” concierge services. Carey also guarantees vehicle availability and provides on-site airport customer care representatives to meet passengers and help with luggage and logistics.
- **The e-Reservation Center.** The e-Reservation Center at eCarey.com is a powerful, yet simple-to-use tool for booking Carey services, specifying requirements, changing arrangements, and creating and modifying personal travel profiles.
- **Excellence You Can Count on Worldwide.** Carey offers the industry’s only global franchise network, ensuring consistently superior service all around the world.
- **Multi-Faceted Communications.** Constant communication among chauffeurs, passengers and the Private Aviation Services Desk — via cell phones, pagers and car-mounted phones — enables us to monitor changes and continually track the progress of trips. Carey also tracks flights by tail number to ensure on-time service all the time.
- **Dedicated Quality Assurance.** A Quality Assurance coordinator is dedicated to the Private Aviation Services Desk and administers Carey’s multi-point QA initiatives.
- **Preferred Pricing.** Our customized pricing structure meets the needs of high-volume corporate and individual customers.
- **Key Industry Relationships.** Relationships with the National Business Aviation Association (NBAA) and the National Air Transportation Association (NATA) underscore our industry commitment.
