FOR TRAVEL ADVISORS & AGENCIES

Your clients, *arriving considered.*

Partnering with Carey takes three steps and no paperwork. If your agency holds a recognized industry ID, you can begin booking chauffeured service today.

RECOGNIZED AGENCY IDS

ARC	Airlines Reporting Corporation
IATA	International Air Transport Association, incl. IATAN
TRUE	Travel Retailer Universal Enumeration
CLIA	Cruise Lines International Association

BENEFITS

Why advisors partner with Carey

Use the ID you already have

Your existing industry accreditation is all Carey needs to recognize your agency.

No application required

No forms to submit and no approval to wait for. Begin as soon as your profile is set.

Book the way you work

Online in Carey Connect, by phone with our reservations team, or through the Carey API.

Worldwide, one standard

Professional chauffeurs and consistent service in more than 1,000 cities.

HOW TO SIGN UP

Three steps. *That's all.*

REGISTER AT CAREYCONNECT.COM

01

Create an Arranger Profile

Register online in Carey Connect, call our reservations team, or pass your details when booking through the API.

02

Add your agency ID

Enter your ARC, IATA / IATAN, TRUE or CLIA code on your profile so every booking is linked to your agency.

03

Book your client's trip

Reserve as you normally would. There is nothing further to set up.

NO RECOGNIZED ID?

We'll set you up personally.

ASTA members and agencies without one of the four recognized IDs are welcome. A Carey Account Manager will provide an ID for your profile — and can help if you would like to open a negotiated account.
